«Information»

About 60 years ago, we were selling athletic goods, cosmetics and stationeries. A number of people came here, because stationeries were sold only here. Now we sell handicraft materials, stationeries and toys.

«Good Points of Omishima»

Residents are friendly to elderly people. It's comfortable to live with plenty of nature and few buildings.

«Recommendations»

Handicraft goods like ribbons are popular.

Iwataya

This is indispensable on this island, because we might get what we need here even when we can't find it elsewhere.

«Information»

Early in the morning, the street is filled with the nice smell of Mishima Manju. Go to the shop early before they are sold out.

«Good Points of Omishima»

We feel as if time passed slowly, because the atmosphere is relaxing. Also, we can feel the changes of the seasons from the color of the sea.

Fresh ones are available in the morning ♪

«From an Editor»

Of course it's good to enjoy the soft dough as it is. I recommend you to warm it a little in a toaster. And the manju will be a bit crispy! Please give it a try !
