<No. 1 Drink>
Lemon Enzyme Drink

It tastes refreshing, sweet and a bit sour. It's thick, so please dilute it with ice cubes.

「Good Points of Omishima」
The nature is beautiful, and islanders are friendly.
「Message to visitors」

A Brief Guide

The Name of the Bus Stop
「Under the Tunnel (Ton'neru-sita)」
We'll tell you why.

There used to be a high bedded river. Then, a tunnel was built to let people and cars go through without crossing the river. So, this place was actually "under the tunnel". And the name still remains.
