Wide Benches

You can sit and easily appreciate each work. Seen from the same standpoint, the works look as if children were playing.

The works are closely linked with the theme "Mothers and Children." I would like you to feel the sounds of nature.

● If you visit here,...

- You will feel free as a bird because the space is simple and has no ceiling, !
- The statues wear the author's warm feelings.

Santo's Studio
His studio in Osaka has been reproduced.

You can see how he was writing his masterpieces.

This is the museum of calligraphy. Calligraphy seems difficult, but every visitor is welcome!
